DR. PHILLIPS CHARITIES

Eatonville Initiative October 2026 Highlights

Eatonville Heritage Campus and Museum of Culture & History

The Orange County Board of County Commissioners voted to approve Dr. Phillips Charities' TDT proposal for review by the OC Tourism Development Council. DPC applied for $60M in TDT funding for an $85M heritage campus and museum on the historic Hungerford site. Dr. Phillips is one of thirteen projects recommended for funding.

As the heritage campus and museum move forward, Dr. Phillips is committed to listening, learning, and collaborating to make sure the project honors, safeguards, and reflects the remarkable stories and history in Eatonville. An additional vote will take place in December of 2026.
